20	Percussion Island	Only amplified when sound engineer finds necessary	
21	Talkback for IEM		

Notes:

We will bring an IEM rack with built-in splitter(to FOH & IEM) for the inputs we'll need.

We will bring our own stageblok that will be put near drums, samples and DJ.

We will bring a 12 ch multi to use between splitter FOH & IEM.

Please provide power next to DJ, Sampler, Drummer,IEM rack, all AMPS & pedalboards.

Drummer wil bring his own overhead microphone only for inear mix!
